COMMUNITY TESTIMONIALS

"My name is Padmavathi, and I am from Pendurthi, Visakhapatnam. I came across the Anugraha Charitable Trust via Facebook. I saw the amazing work that this organization was doing and immediately contacted the President and explained my situation during COVID. My husband is physically handicapped, so the family's burden was on me. We are with four members in our house, and I work at a book stall. The salary I receive is very low, and I can't afford to support my family. I requested the president of the Anugraha Charitable Trust to help with our son's school fees, and immediately the director asked for our bank details and helped pay our son's school fees. We also regularly received groceries during the lockdown. For the past two years, Anugraha has been paying my son's school fees. Lastly, I am so thankful to this organization for helping our son with his education. Currently, our son is in the 10th grade."
