President's Message

02

Dear Friends, Supporters, and Well Wishers,

It is with immense gratitude and profound humility that I present the Anugraha Charitable Trust's Annual Report for the fiscal year 2023-2024. This past year has been a testament to the unwavering spirit of compassion, collective action, and the transformative power of generosity. As we reflect on the milestones achieved, we are reminded of the countless lives touched and the hopeful futures nurtured through your steadfast support.

The year 2023-2024 saw Anugraha Charitable Trust redoubling its efforts to address the pressing needs of the most vulnerable sections of society. From providing essential educational supplies to empowering children with the tools for a brighter future, to ensuring food security for families battling hunger, and offering warmth and dignity to those without shelter, our programs have consistently aimed at holistic upliftment. We extended our reach across various regions, impacting communities in Hubli, Bellary, Andhra Pradesh, and Hyderabad, driven by a singular purpose: to bring 'Anugraha' – divine grace – into the lives of those who need it most.

A significant highlight of our year was the collective impact we made, reaching 750 beneficiaries across various initiatives. This figure is not just a number; it represents 750 individual stories of renewed hope, restored dignity, and a step towards a better life. This achievement would not have been possible without the tireless dedication of our staff, the selfless commitment of our volunteers, and the invaluable trust and support of our donors and partners.

As we look forward, the challenges facing our communities remain vast, but so does our resolve. We are invigorated by the progress we have made and remain committed to expanding our programs, innovating our approaches, and fostering greater collaboration. We invite you to delve into the pages of this report to understand the depth and breadth of our work, the impact of your contributions, and our aspirations for the future.

Thank you for being an integral part of the Anugraha family. Together, we are building a more compassionate and equitable world.

With heartfelt regards,

Samarpan Martin Luther Veshapogu
